HHALLELUJAH!

Greetings to all members and followers. This is the newsletter from the "Il Giocattolo" association.

Here is the newsletter with the latest news of our activities in Romania. **These news are read by over 1,000 people.**

Activities and Projects

Bureaucracy

In the end, we got it! At least temporarily, for one year, **we are authorized to operate the Day Center**. This is the result of a mountain of paperwork.

CHILDREN'S ATTENDANCE

The **increase in attendance** continues. As you know, almost all of them are children with problems (even serious ones) due to the family context (we notice less difficulties in orphans!).

Many of them would need a social worker (but there is none). Some children have behavioural problems, which we can hardly manage.

PHOTO BOOK

You can find an overview of the activities of the last period in this short photo book (click below), with a description of what has been done.

IMPORTANT

We are proud to announce that, thanks to the collaboration of the Municipality, we are working to facilitate the start-up of a branch of the GPD dental practice in Timisoara.

In this way we will be able to take care of our patients at the Center.
Let's hope we get it!

MAY 1ST TRIP

We had a nice trip on the 1st of May. Here is the video (click below).

A summary of what we do

A good group of children are demonstrating constant participation in our activities.

Ours is a constant struggle: we do not always have the family support of the children we help, the cultural gap is huge. However, we believe that they all deserve more; we know well that "the frontier is even further beyond".

Our mission is to try to prevent possible uncomfortable situations in the lives of these children - because taking care of children means taking care of our future.

Only together can we be happy!

A THOUGHT THAT GUIDES US:

<<You should think more about doing well than about being well: and then you'd end up feeling better too>>
